2 THE WHEN

What dates does my service need to be aware of?

Disclaimer: As the national Regulations are still in draft form, the content of this fact sheet is subject to change.

THE NEW NATIONAL QUALITY FRAMEWORK (NQF) COMMENCES FROM THE BEGINNING OF 2012.

This fact sheet, the second of a series produced for children's services by the Professional Support Co-ordinator's Alliance, summarises the basics that services need to know about the NQF.
